Dear Parents and Carers

Summer Before, After-School & Lunch Clubs commencing w/b Monday 22nd April 2024

We are delighted to inform you that our extra-curricular clubs will be resuming week beginning 22nd April 2024. Please find the table of information below for before-school, lunchtime and after-school clubs that are available. Thank you to Mrs Hammond and Miss Bispham for offering and organising so many clubs as well as to our external providers and members of staff, so that we can aim to offer lots of different opportunities for our children.

The booking system for the sport and music clubs will go live on Monday 25th March and will close at 12pm on Thursday 28th March. The booking links are in the table below. External clubs should be booked directly with them; their contact details are also provided below.

When completing the Google form, you will need to fill in your child's details and accept the terms and conditions of the clubs. As usual, there will be a small charge for most of our clubs; this charge enables us to cover the cost of the clubs and support our development of PE and Music across the school.

Following the closing date, places for the clubs will be allocated and, if successful, you will be contacted by the school. The payment items will be added to your ParentPay accounts in due course after that. Children in receipt of Pupil Premium (eligible for benefits-related Free School Meals) will be able to attend one music or sports club run by the school (not one of the external provider clubs) free of charge – you will not be charged on ParentPay once your place has been confirmed.

Children need to have full kit for all sports clubs. If they do not have this on the day, they will not be able to attend and you will need to collect them at 3.15pm. Please note that if the weather is bad, the sports club will be cancelled with a refund given and you will need to pick your child up at 3.15pm. We will notify you with as much time in advance as possible.

If you are successful in securing a place but you no longer wish for your child/ren to attend, please contact the main office as soon as possible. The office will then remove any payments you may be liable for. Failure to inform the office does cause confusion and may prevent other children attending the club. If you do not inform the office that you no longer wish for your child to attend you may still be liable for the charge.

I hope that your child will enjoy attending one or more of our extra-curricular clubs.

With my very best wishes

Mr Josh Newham
