Dear Hazelwood community,

Please see below for the most current Enfield Covid-19 testing information.

A new site at Raynham Road Car Park has been added which is for walk through appointments only. At this site there is a capacity for walk-ins however it is recommended that you always try to book your appointment first where possible. **A test without an appointment cannot be guaranteed.**

Dates	Enfield Testing Location
Thursday 17 September	Edmonton Green (North car park), N9 0SN
Sunday 20 September	Lodge Drive Car Park Palmers Green, N13 5UB
Fixed testing site – Every Day Drive through only	Lea Valley Athletic Centre Meridian Way, N9 0AR
Fixed testing site – Every Day from 8am until 8pm Walk through only	Raynham Road Car Park Edmonton, N18 2SJ

Most appointments are available between 10:30 -15:30 on the testing dates. To book an appointment please visit gov.uk self-referral booking portal [here](#)

Important Information to note

- Bookings will only become available after 8pm the night before the day you want to visit, trying to book before this time may result in your closest test centre not being displayed.
- The booking portal can become very busy, we are aware there are issues nationally, if you cannot get through on your first attempt please keep trying.
- Mobile Testing Centres operate by appointment only, one appointment is required per person. E.g. If there are 4 people in 1 car that want to be tested 4 appointments must be booked
- If you do not have an appointment you are likely be turned away and told to make an appointment on line.
