

## The Three Little Lions by 2M

Once upon a time, there lived three little lions. One day, they decided to leave home and build houses of their own. The first little lion thought that chocolate **ice-cream** would make a good house. He built the house very quickly and he was very pleased with it. The second little lion thought that fruity **jelly** would make a fine house. She rapidly built the house and she was very pleased with it. The third little lion thought that gleaming **diamonds** would make a strong house. It took her a long time to build the house but she was very pleased with it. One day, a big, bad and bold **monster** came along. He saw the first little lion in his mouth-watering ice-cream house. "Little lion, little lion, let me come in," he snarled. "Not by the hair on my mane!" cried the first little lion. "Then I'll roar and I'll roar and I'll eat your house up!" growled the ugly monster. So he roared and gobbled the house up! The first little lion escaped and ran to join his sister in the house made of strawberry jelly. The ferocious monster followed the little lion to the house made of wobbly, fragrant and tasty jelly. "Little lion, little lion, let me come in," he snarled. "Not by the hair on my whiskers!" cried the second little lion. "Then I'll roar and I'll roar and I'll eat your house up!" growled the aggressive monster. So he roared and he munched the house up!

The two little lions escaped and ran to join their sister in the house made of sparkling, multi-coloured and shimmering diamonds. The furious monster followed the cute lions to the house made of diamonds. The third house was as bright as a shooting star.

“Little lion, little lion, let me come in,” he snarled. “Not by the hair on my fluffy tail!” cried the third little lion. “Then I’ll roar and I’ll roar and I’ll eat our house up!” growled the slimy, hairy monster. He roared but the house was too strong and rigid. He could not eat it up!

This made the menacing monster very angry. He climbed onto the roof of the house so he could crawl down the steel chimney. The gigantic monster was in for a big surprise!

The third little lion had been cooking a big pot of tomato soup and SPLASH! The monster fell right into the pot! The monster was very shocked. He jumped out of the pot and ran straight out of the house. He never came back again. The little lions lived happily ever after in the house made of diamonds.
