

The Three Little Cats by 20

Once upon a time, there lived three little cats. One day, they decided to leave home and build houses of their own. The first little cat thought that leaves would make a good house. He built the house very quickly and he was very pleased with it.

The second little cat thought that card would make a fine house. He built the house very quickly and he was very pleased with it.

The third little cat thought that stone would make a strong house. It took her a long time to build the house but she was very pleased with it.

One day, a big bad tiger came along. He saw the first little cat in his house of leaves.

"Little cat, little cat, let me come in," he snarled.

"Not by the hair on my chinny, chin, chin!" cried the first little cat.

"Then I'll huff and I'll puff and I'll blow your house down!" growled the big bad tiger. So he huffed and he puffed and he blew the house down! The first little cat escaped and ran to join his brother in the house made of card.

The big bad tiger followed the little cat to the house made of card.

"Little cat, little cat, let me come in," he snarled.

"Not by the hair on my chinny, chin, chin!" cried the second little cat. "Then I'll huff and I'll puff and I'll blow your house down!" growled the big bad tiger. So he huffed and he puffed and he blew the house down! The two little cats escaped and ran to join their sister in the house made of stone.

The big bad tiger followed the cats to the house made of stone.

"Little cat, little cat, let me come in," he snarled.

"Not by the hair on my chinny, chin, chin!" cried the third little cat. "Then I'll huff and I'll puff and I'll blow your house down!" growled the big bad tiger. He huffed and he puffed, but the house was too strong. He could not blow it down! This made the big bad tiger very angry.

He climbed onto the roof of the house so he could crawl down the chimney. The big bad tiger was in for a big surprise!

The three little cats had been cooking a big pot of stew and SPLASH! The tiger fell right into the pot! The tiger was very shocked. He jumped out of the pot and ran straight out of the house. He never came back again. The little cats lived happily ever after in the house made of stone.
